

Turek 2012-07-31

PROFI^m is a manufacturer of office chairs and armchairs distinguished by high quality and original design thanks to cooperation with international talented designers. Our offer consists of various range of products dedicated for offices and other spaces like receptions, waiting-rooms, conference rooms.

Dynamic growth of our company made PROFIm brand well-known in the office furniture market and is recognised as a guarantee of high quality products.

PROFI^m is a harmonious group of people whose ambition is to be the best. Our main aim is to create high quality and ergonomic products. Every day is a challenge for us. Improving our products we try to meet our clients' needs.

Our products are manufactured according to the highest quality standards, what is confirmed by ISO 9001:2008 certificate.

At the moment, PROFIm employs 1160 people and the total production output is over 70 thousand chairs per month.

We have been participating in prestigious fairs in Poland and abroad - Orgatec International Office and Facility Fair in Cologne, Office Life in Prague or Biuro Trade Fair in Poznan.
