Dear Sirs,

The forwarding market continuously increases its requirements - professionalists, better solutions, the best quotations and conditions are always welcome. Therefore we would like to take the opportunity to introduce our company and offer services of international forwarding, logistics and transport:

- **competitive seafreights for general cargoes, reefers, FCL/LCL containers,**
- **THC and forwarding in Polish ports including warehousing, customs clearance, etc.,**
- **road transport and distribution,**
- **rail transport,**
- **customs clearance.**

Long and fruitful cooperation with the biggest shipping lines such as: APL, OOCL, Hapag-Lloyd, Maersk, MSC or Evergreen allows us to offer you exceptionally advantageous freight rates to every destination in the world. We use container terminals in Poland: Szczecin, Gdynia and Gdańsk as well abroad: in Hamburg, Bremerhaven, St. Petersburg or Kaliningrad. From the beginning of our activity we closely cooperate with polish export/import enterprises organizing on their behalf all sea and land transport. Number of containers we serve is about 150 TEU monthly.

Our team offers modern services in a wide range of international forwarding including: sea, rail and road transport. We organize the transport of various kinds of cargo to overseas destinations also offering "door to door" deliveries. TRANSIMPEX can offer either the containers or general cargo transport. As far as land transport is concerned we offer shipments to inland polish destinations as well as every european country with the railway and tilt trailers every kind. We arrange transport of 20', 40' containers either by railway or trailers. Carrier's insurance is guaranteed.

Our company is well experienced in land and sea transport of practically every kind of goods, especially in foodstuff products, including frozen goods.

We do hope that you found our profile interesting to you and trust that there may be an opportunity to consider our offer. We remain at your entire disposal for any further information that you may need.

Yours faithfully,

Pawel Gelner
