We are a **company manufacturing cosmetics** based in Cracow specializing in makeup and beauty care products. **HEAN** supplies to over two thousand retailers in Poland. Our current exports include: the Czech Republic, Slovakia, Lithuania, Latvia, Belgium, France, Greece, Hungary, Spain, Portugal and Saudi Arabia.

We would like to present you sales offer of our cosmetics. High quality, excellent value and flexible sales policies allowed us to smoothly adjust to changing market trends and offer products that are appealing to our customers. **HEAN** has a long history of providing B2B services for Private Labels on both domestic and foreign markets.

Our range of products is broad, we manufacture **lipsticks, lip glosses, eyeshadows, mascaras, foundations, powders, blushers, nail polishes and skin care products.**

High quality is very important for us because of that we have our own **R&D laboratory** where our experienced staff work to create the formulae for different kinds of cosmetics offered by **HEAN**. All our products are subject to dermatological and microbiological tests. Our products are not tested on animals. We always buy only from reputable suppliers, who constantly guarantee high quality of raw materials because safety of our cosmetics is of a high priority. We limit use of allergens in our formulas.

**Keeping promises and reliability** is our motto in everyday work.

At the moment we are looking for new business opportunities in.

If you are interested in cooperation, please contact us, we will send you catalogues and price lists.
