

**DANTOM is a leading manufacturer of flexible closures in the packaging market.** Our company has an established market position and reputation in Europe. On our offer we have products such as **clipband, twistband, multistrip, heatlocks** and **pipping bags**.

#### CLIPBAND

Plastic or paper band reinforced with two wires on both sides. Available on reels.

To be used in semi-automatic and automatic machines, such as Jongerius Hanco, Ipeka, Optima, Hartmann, Hoba, and others for closing paper or plastic bags by clamping a section of the strip.

APPLICATION: food industry (baked goods, confectionery, nuts and dried fruit, pastas), candle producers, decorations, gardening supplies. REEL LENGTH: 600 m – with 0.60 mm thick wire, 500 m - with 0.70 mm and 0.80 mm thick wire, other lengths upon request. PRE-CUTS LENGTH: 40 mm – 150 mm.

#### TWISTBAND

Plastic or paper band reinforced with a central single wire. Available on reels. To be used in, semi-automatic and automatic machines for closing paper and plastic bags by twisting a band segment and binding together cables, hoses, tubes or other similar elements.

APPLICATION: food industry (baked goods, confectionery, nuts and dried fruit, pasta), candle producers, decorations, gardening supplies, household goods. LENGTH OF BAND PER REEL: 500 m – wire width 0,44 mm. PRE-CUTS LENGTH: 40 mm – 200 mm.

#### MULTISTRIP

Paper or plastic, single-wire twist ties in perforated sets. To be used as bag closures. Paper twist ties may be applied in the ovens. Colours: white. Packaging: Available in perforated sets or on roll.

#### HEATLOCK

High temperature resistant plastic clip ties. Closing products which can be reheated in the ovens and microwaves. Dimensions: 115mm. Colours: white. Packaging: Available in perforated sets or on roll.

#### PIPPING BAGS

Made of polyethylene, thickness 72 microns. Anti-slip layer makes it easier to hold the bag. Very flexible and resistant. With wide opening on one end and pierced tip on the other, can be used with or without the decorating tip. Various applications – perfect for creams, mayonnaise, fondue, dressings. Packed in convenient cartons, 100 pcs per reel. Available in two dimensions: 18" and 21".
