

Our company is located in Poland and is the largest in central Europe, a manufacturer and distributor of tools for building and repair. Our brands such as HARDY, KUSSNER, SCLEY or VELDY

available on the territory of all European states, including the largest networks in building supermarkets. Our sales representatives provide a daily execution of orders in the shortest possible time. We are confident that together we can achieve the highest peaks and enjoy and profit from joint cooperation!

We invite you to familiarize yourself with our offer.
