

SAN-EXPORT-GROUP SP. Z O. O. was founded by groups of producers from the Sandomierz region which is the second largest fruit-growing area in Poland. Based on the wealth of orchards located near Sandomierz we offer large diversity of apples of the highest quality. Our main activity is export in order to promote apples and other fruits and vegetables from the region of Sandomierz. We are interested in long-term, fair and mutually beneficial cooperation.

We offer fruits and vegetables in wholesale quantity, packed, calibrated and labeled according to customer requirements, with quality and consistency of delivery guaranteed to satisfy every customer.

Our primary export product are apples from the Sandomierz area, in many following varieties:

IDARED
CHAMPION
JONICA
ELISE
RUBIN
GALA MUST
GOLDEN DELICIOUS
LIGOL

JONAGOLD
JONAGORED
GLOSTER
ELSTAR
JONAPRINCE
GALA ROYAL
MUTSU
LOBO

We offer a wide range of vegetables as well, for example :

- white cabbage,
- chinese cabbage,
- tomato,
- carrot,
- onion,
- beetroot,

and many other high quality products, well appreciated in whole Europe.

Apart from the best quality fruits and vegetables, we also offer 100% natural cloudy apple juice, packed in 3 or 5 liter special cartons with taps added and 250ml / 330ml / 1L glass bottles , to guarantee the best, healthy and long-term fresh product for our customers in following flavors :

- apple
- apple & cherry
- apple & blackcurrant
- apple & peach
- apple & guava
- apple & mango
- apple & pear
- apple & raspberry
- apple & carrot
- apple & chokeberry

Our offer and prices will be actualized every week. Please let us know if you are potentially interested to cooperate with us and do you want us to send you our offer regularly.
