POLANDAFRICA Congress 2015 /15 - 16 of October, 2015/

The **POLANDAFRICA Congress** has engraved into the calendar of international business events taking place in central Poland, in Lodz – the city of multi cultures, arts, ventures or conferences devoted to business.

POLANDAFRICA as the multiannual event is carried forward through numerous events both in Poland and African countries and concluded on the regular basis in the form of year-end specific plenary meetings consisting of the official and business part brought together under the **POLANDAFRICA CONGRESS** yearly edition. The Program of the **POLANDAFRICA Congress** is the private sector initiative launched with the purpose to renew and stimulate economic relations between Poland and African partners. Central Poland Chamber of Economy (RIG Lodz) is the organizer of the Congress. Each annual edition constitutes a commercial event that is to be financed by purchase of business packages or supplementary services suited for individual request. The private funding provides the guarantee that the program agenda and its realization shall reflect the expectations and needs of participating companies and entrepreneurs. The mission of the Congress has been defined as support and guidance in the process and intensified efforts to tighten business relations. The objective is primarily to initiate and conduct long term projects ensuring mutual stability and efficacy in the areas of science, technology and promotion of trade exchange.

The incoming edition of **POLANDAFRICA Congress 2015** shall have its arena in Lodz European Institute, on the 15th -16th October. The Congress will be the conclusion to several preceding events both in Poland and Africa. Just to mention a few like the economic mission to Nigeria (3rd-7th August) with an official presentation of the **POLANDAFRICA Program** to the president of the country, Mr. Muhammad Buhari and the **POLANDAFRICA AGRI BUSINESS FORUM** scheduled between 5th-9th September 2015 in the Arab Republic of Egypt. Chambers of commerce from African countries which have become our partners in the **POLANDAFRICA** project already announced their economic missions to Poland prior to the meeting in the Institute. Apart from the strong business focus, the Congress Program shall include bits of African culture making the atmosphere magical in the evenings.
